Information disclosure content:

According to the financial statements of Hanoi Textile and Garment Joint Stock Corporation:

Business results for Q3 2026:

+ Net profit after tax Q3/2025: VND 2,362,110,489
+ Net profit after tax Q3/2026: VND 25,990,606,802

Net profit after tax for Q3 2026 is increased by 10% or more compared to the same period of the previous year.

The Corporation's net profit after tax for Q3 2026 increased compared to the same period last year. This result stems from the efficient production and business performance of the yarn and garment industries. The yarn industry recorded a strong price recovery, and the Corporation proactively monitored and promptly addressed the rising prices of input materials to optimize production costs. The garment industry recorded positive results thanks to maintaining strong traditional customers and expanding new customers. On the other hand, due to tight production management and increased productivity, the overall efficiency of the Corporation increased compared to the same period last year.

This information is published on the website of Hanoi Textile and Garment Joint Stock Corporation at www.hanosimex.com.vn under the Shareholder Relations section on October 30, 2026.

We hereby commit that the information disclosed above is true and take full legal responsibility for the content of the disclosed information.
