(The explaining of changes in profit after CIT in the mid-year consolidated financial statements for the third quarter of 2026 and the third quarter of 2025)

SOCIALIST REPUBLIC OF VIETNAM
Independence – Freedom – Happiness

Da Nang, October 28 th 2026

To: - HANOI STOCK EXCHANGE

Based on the information disclosure regulations for listed organizations on the stock market, Central Container Joint Stock Company (Stock code: VSM) would like to provide an explanation regarding the fluctuation of Profit after CIT in the mid-year income statement for the third quarter of 2026, which has changed by 10% or more compared to the same period in 2025, as follows:

Item	The third quarter of 2026	The third quarter of 2025	Spread increase (+)/decrease (-)	Increase rate (%)
Profit after CIT	3.479.607.216	3.044.086.662	435.520.554	14%

*** Reasons:**

In the third quarter of 2026, the Company generated income from the disposal of transportation vehicles. In addition, depreciation expenses decreased compared to the same period in 2025. These were the main reasons for the increase in profit reported in the Company's separate financial statements for the third quarter of 2026 compared to the same period in 2025.

The above is the main reason for the difference in profit after CIT in the mid-year income statement for the third quarter of 2026 compared to the same period last year. The Company would like to explain to the Hanoi Stock Exchange.

Thank you very much!
