Pursuant to the information disclosure guidance of Circular No. 96/2020/TT-BTC dated 16/11/2020 of the Ministry of Finance, Thai Ha Bridge BOT Joint Stock Company would like to explain the contents of its Quarter III 2026 Financial Statements as follows:

Profit after tax for the reporting period recorded a loss of **VND 14,425,847,058**. The main reason is that revenue from the Company's toll collection activities has not been sufficient to cover the expenses incurred in the course of operations.

During the period, the Company's management implemented various measures to reduce costs, improve operational efficiency and increase revenue. However, these measures have not yet been sufficient to overcome the loss-making situation.

To address the outstanding difficulties and obstacles at the Thai Ha Bridge Project, the Company has reported to and submitted recommendations to the competent ministries and sectors for their consideration and support in resolving them, so as to stabilize production and business activities and improve the financial performance of the project.

The above is the explanation of Thai Ha Bridge BOT Joint Stock Company regarding its Quarter III 2026 Financial Statements compared with the same period of the previous year. We undertake that the information disclosed above is true and take full responsibility before the law for the content of the disclosed information.

Thank you very much!
