**Reason:**

- In the first 6 months of 2026, the profit after tax (PAT) in the reviewed separate and consolidated financial statements was lower than in the self-prepared financial statements, primarily due to the Company's additional provision for bad debts.
- The PAT in the reviewed separate semi-annual financial statements for 2026 recorded a profit, whereas a loss was recorded in the same period of 2025. This was mainly due to the Company reversing provisions previously made for capital investments in subsidiaries, as the operational status and business performance of these subsidiaries improved and became more effective.
- The PAT in the reviewed consolidated semi-annual financial statements for 2026 recorded a profit, whereas a loss was recorded in the same period of 2025. This was mainly due to an increase in the gross profit margin.

## 2.2 Explanation of the qualified opinion in the 2026 semi-annual reviewed financial statements

### 2.2.1. Qualified audit opinion related to debts for which sufficient confirmations have not been obtained

As of the date of this report, the auditors have not obtained sufficient confirmation letters for certain items on the Statement of Financial Position as of 30/06/2026, and 31/12/2025, because the counterparties have had outstanding balances for a long time and their contact information is no longer accurate. Although our company has provided full documentation related to these items as alternatives to confirmation letters, this has not provided the auditors with sufficient basis to evaluate these items or their impact on other items in the Company's 2026 semi-annual reviewed financial statements.

**2.2.2 Qualified audit opinion regarding the inability to obtain the audited financial statements of an entity in which the Company has invested, and the impact of the qualified audit opinion at the associate**

Previously, TGG's subsidiary, Louis AMC Asset Management and Exploitation Joint Stock Company, invested 9.795 billion VND in Louis Rice Import Export Joint Stock Company. The Company has made efforts to contact them to obtain the financial statements; however, to date, Louis Rice has not provided them. The Company is currently considering procedures to recover this investment.

**2.2.3 Qualified audit opinion regarding the Inventory item**

Inventory at Louis AMC Asset Management and Exploitation Joint Stock Company: The inventory consists of machinery and equipment kept in custody at the warehouse of Louis Holdings Joint Stock Company. As this warehouse was handed over to the bank for management during 2022, the Company has not yet been able to conduct an inventory count and revaluation of these assets. Furthermore, the machinery and equipment system was leased by the Company to Lam Dong Pharmaceutical Joint Stock Company (LDP). Since the two entities were previously related parties within the same group and shared key management personnel, there were discrepancies between the list of leased machinery and equipment in the contract and the actual assets handed over (in reality, the contract only listed key machinery and equipment, while the actual handover included a system comprising both key and auxiliary machinery and equipment). As of now, the two parties have reconciled the list of leased machinery and equipment.

## REPORT ON REVIEW OF INTERIM FINANCIAL STATEMENTS

To: **The Shareholders, the Board of Directors and the Board of General Directors  
The Golden Group Joint Stock Company**

We have reviewed the accompanying interim consolidated financial statements of The Golden Group Joint Stock Company and its subsidiary (referred to as "the Group"), prepared on 21 August 2026, as set out from page 07 to 44, which comprise the Interim consolidated statement of financial position as at 30 June 2026, the Interim Consolidated Income statement, the Interim Consolidated Cash flow statement for the six-month period ended 30 June 2026 and the Notes to the Interim Consolidated Financial statements.

### **The Board of General Directors' responsibility**

The Board of General Directors of the Group is responsible for the preparation and true, fair presentation of these interim consolidated financial statements of the Group in accordance with the Vietnamese Accounting Standards, Vietnamese Accounting System and comply with relevant statutory requirements for the preparation and presentation of the interim consolidated financial statements and for such internal control as the Board of General Directors of the Group determines is necessary to enable the preparation and presentation of these interim consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's responsibility**

Our responsibility is to express a conclusion on these interim consolidated financial statements based on our review. We conducted our review in accordance with Vietnamese Standards on Review Engagements No. 2410 - Review of Interim Financial information Performed by the Independent Auditor of the Entity.

A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Vietnamese Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Basis for Qualified Conclusion**

1. As of the issuance date of this report, we have not obtained sufficient confirmation letters for certain balances presented in the consolidated statements of financial position as at 30 June 2026 and 31 December 2025. Alternative audit procedures performed did not provide us with sufficient appropriate evidence to evaluate these balances and their potential effects on other items in the interim consolidated financial statements for the six-month period ended 30 June 2026 of the Group. Specifically, these balances include the following:

2. As disclosed in No 5.2.3 of the Notes to the interim consolidated financial statements, Louis AMC Asset Management and Exploitation Joint Stock Company (a subsidiary) made a long-term investment in Louis Rice Import-Export Joint Stock Company ("Louis Rice") with a carrying amount of VND 9,795,414,653 as at 30 June 2026 (31 December 2025: VND 9,795,414,653).

As of the date of issuance of this report, the Group has not obtained the reviewed financial statements of Louis Rice for the six-month period ended 30 June 2026 as a basis for assessing the provision recorded for this investment as at 30 June 2026 amounting to VND 9,795,414,653 (31 December 2025: VND 9,795,414,653). Accordingly, we were unable to assess the potential adjustment (if any) to the provision for this investment as at 30 June 2026, as well as the impact, if any, on other related items in the accompanying interim consolidated financial statements.

3. As disclosed in No 5.7 of the Notes to the interim consolidated financial statements, as at 30 June 2026, Louis AMC Asset Management and Exploitation Joint Stock Company (a subsidiary) was unable to perform a physical inventory count of inventories held on its behalf by Louis Holdings Joint Stock Company, with a carrying amount of VND 12,272,727,273. We were also unable to obtain sufficient confirmations regarding the value of these inventories as at 30 June 2026. Alternative audit procedures did not provide us with sufficient appropriate audit evidence either. Based on the documents currently available to the Group, we were unable to obtain sufficient appropriate audit evidence to assess the existence, valuation, measurement, rights and obligations of the above-mentioned inventory balance of the Group as at 30 June 2026, or to determine their possible effects, if any, on other items in the accompanying interim consolidated financial statements.

### Qualified Conclusion

Based on our review, except for the effects of the matters described in the section "Basis for Qualified Conclusion", nothing has come to our attention that causes us to believe that the accompanying interim consolidated financial statements do not give a true and fair view, in all material respects, the consolidated financial position of the Group as at 30 June 2026, and its interim consolidated financial performance and interim consolidated cash flows for the six-month period then ended, in accordance with Vietnamese Accounting Standards, the Vietnamese Enterprise Accounting System, and relevant legal regulations relating to the preparation and presentation of interim consolidated financial statements.

## REPORT ON REVIEW OF INTERIM FINANCIAL STATEMENTS *(continued)*

### Emphasis of Matter

Without qualifying our above conclusion, we would like to draw attention to the following matter:

As disclosed in point (a) of No 1.5 of the Notes to the interim consolidated financial statements as at 30 June 2026, according to Official Letter No. 09/2025/TGG/TGD-CV dated 18 March 2025 from the General Director of the Parent Company to An Giang Import Export Company – a capital contributor in Angimex Furious Company Limited (a subsidiary), the Parent Company reassessed the capital contribution of An Giang Import Export Company in Angimex Furious Company Limited. Based on the results of internal review and assessment, the Parent Company determined that the valuation basis of the contributed assets by An Giang Import-Export Company was inappropriate. Accordingly, the Parent Company did not recognise the value of this capital contribution in Angimex Furious Company Limited. As a result, the Parent Company's ownership interest in Angimex Furious Company Limited may change, depending on the final outcome of the re-determination of the capital contribution value.

Our qualified conclusion is not related to the above-mentioned Emphasis of Matter.
