V/v: Explanation for the shift from a loss to a profit

between the third quarter of 2026 and the third quarter of 2025

**Dear: STATE SECURITIES COMMISSION OF VIETNAM
HA NOI STOCK EXCHANGE**

Pursuant to Circular No 96/2020/TT-BTC dated 16/11/2020 of the Ministry of Finance guiding the disclosure of information on the stock market.

Tung Kuang Industrial Joint Stock Company would like to explain the difference in business results for the third quarter of 2026 compared to the same period of the previous year as follows:

Unit: VND

No	Items	Quarter III/2026	Quarter III/2025	Difference (%)
1	Sales and service revenue	171.203.093.020	141.933.369.510	+20,62%
2	Gross profit from sales and service provision	23.758.698.418	12.054.048.356	+97,10%
3	Profit after tax	3.579.437.743	-3.324.394.677	+207,67%

The main reasons for the Company's net profit after tax turning from a loss in the previous period to a profit in the current period were improvements in production and business operations, increased revenue, and the implementation of cost control and reduction measures. In addition, improved resource utilization efficiency contributed to better business performance. As a result, the Company overcame the loss incurred in the previous period and achieved a positive net profit in the reporting period.

Above is the explanation of Tung Kuang Company. Best regards!
