In the Consolidated Financial Statements of Hanoi Textile and Garment Joint Stock Corporation:

Business results for the first 6 months of 2026:

- Profit after tax for the first 6 months of 2025: VND 5.618.126.164 VND
- Profit after tax for the first 6 months of 2026: VND 17.101.174.222 VND *pm*

As the profit after tax in the reviewed Consolidated Financial Statements for the first 6 months of 2026 fluctuated by more than 10% compared to the first 6 months of 2025, Hanoi Textile and Garment Joint Stock Corporation would like to explain the reasons as follows: *The Corporation's profit after tax for the first 6 months of 2026 increased compared to the same period last year, owing to a strong market recovery and improved production management. This result was primarily driven by the business efficiency of the yarn segment. The yarn segment recorded a strong recovery in selling prices, resulting in higher revenue in the first 6 months of 2026 compared to the same period. The garment segment effectively capitalized on market demand, securing full-capacity orders. The towel segment also enjoyed favorable order volumes and operated at full capacity. On the other hand, tight production management, productivity enhancement, and cost reduction contributed to the increased overall operational efficiency of the Corporation compared to the same period last year.*
