### Responsibilities of auditors

Our responsibility is to express a conclusion on these Interim Consolidated Financial Statements based on our review. We have conducted our review in accordance with Vietnamese Standards on Review Engagements No.2410 - Review of Interim Financial Information Performed by the Independent Auditor of the Entity.

A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Basis for qualified audit conclusion

As presented in Note 5.3 and 5.5 - Notes to the Interim Consolidated Financial Statements, the Company has overdue debts as at 30 June 2026 with a total amount of VND 30,022,346,685 (*balance of trade receivables of VND 28,212,827,251 and other receivables of VND 1,809,519,434; overdue debts as at 31 December 2025 was VND 28,542,340,996*) but according to the Company's assessment, the above overdue debts are still recoverable, so the Company has not made provisions for doubtful debts. With the documents provided by the Company, we cannot determine the amount of provision for doubtful debts to be made as at 30 June 2026. Therefore, we cannot determine whether it is necessary to adjust these items on the Interim Consolidated Financial Statements.

**Qualified conclusion**

Except for the effects of the matter described in the “Basis for qualified audit conclusion” paragraph, based on our review result, nothing has come to our attention that causes us to believe that the accompanying Interim Consolidated Financial information does not give a true and fair view, in all material respects, of the financial position of Vinacomin - Investment, Trading & Services Joint Stock Company as at 30 June 2026, and of its financial performance and its cash flows for the accounting period the ended in accordance with the Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and other prevailing legal regulations on preparation and presentation of the Interim Consolidated Financial Statements.

**Emphasis matters**

As presented in Note 7.2 - Notes to the Interim Consolidated Financial Statements, we also want to recommend the readers that as of 30 June 2026 the Company has advance payment of VND 28,657,810,000 to Scandinavian Heavy Equipment Company is related to the batch of Scania dump trucks imported to Hai Phong port but the Vietnam Register did not approve the registration application for inspection and was not instructed to complete the registration application. (\*): As at the date of preparation of the interim financial statements, the Company has unable to reliably estimate the distribution of the bonus and welfare funds for the accounting period ended on 30 June 2026 because the General Meeting of Shareholders had not yet determined the distribution rate for these funds. Excluding the provision for such funds would result in a decrease in net profit attributable to shareholders and, accordingly, a reduction in basic earnings per share.

Earnings per share for the financial period ended 30 June 2025, have been restated due to the distribution of profit made in 2026 according to Resolution of the Annual General Meeting of Shareholders No. 15/NQ-DHDCĐ dated 24 April 2026. According to this resolution, the Company has distributed VND 440,000,000 to the bonus and welfare funds. Accordingly, the net profit attributable to ordinary shareholders used to calculate the basic earnings per share for the financial period ended 30 June 2025, was reduced by half of the appropriated amount. The basic earnings per share for the accounting period ended 30 June 2025, have changed as follows:
