Pursuant to Point 4, Article 14 of Circular No. 96/2020/TT-BTC dated 16 November 2020 issued by the Ministry of Finance, Ton Dong A Corporation hereby provides an explanation for the change in profit after corporate income tax as presented in the Separate Statement of Income for the third quarter of 2026, which changed by more compared to the same period of the previous year.

In the third quarter of 2026, the Company's profit after tax reached VND 67.7 billion, representing a decrease of VND 3.1 billion, or 4.4%, compared to the third quarter of 2025.

The reasons: Although export markets continued to face significant challenges as various countries intensified anti-dumping measures, resulting in lower sales volume, the Company's gross profit still recorded a year-on-year increase of 108.3%. However, financial income decreased by 24.8%, while operating expenses increased substantially, including selling expenses (up 174.4%), finance costs (up 40.2%), and general and administrative expenses (up 24.4%). As a result, the growth in gross profit was insufficient to offset these adverse impacts, leading to a decline in profit after tax for the third quarter of 2026 compared to the same period last year.

Thank you very much.
Best regards!
